7.2.2 The allocation to divisions will be done by the Race Committee at 1200 on June 3 with the list of competitors already registered by that time. Competitors registering later will be added at the bottom of the sorted list in the order of registration.
7.3 For the **TRAC**
7.3.1 The event is organised for a maximum of 16 teams from members represented by at least 4 competitors. Each team shall comprise of 4 or 5 competitors of which 4 may sail in each race. Composition of teams is at the discretion of the member. If there are more than 16 eligible teams and the host member does not qualify a team, it will replace the last qualified team.
7.3.2 For the selection of the teams as well as for the seeding, the Race Committee will calculate 'Total scores' per group of 4 competitors per member, as explained below:
After the first 5 races sailed in the IAC (or the number of races sailed until June 5 inclusive, if fewer than 5) the total points of the 4 competitors with the best cumulative results from each member will be added to give a total score for each member. For the host member (if they enter two teams): the total points of the following 4 competitors

Trincomalee, SRI LANKA

June 2 to 10, 2012

with the best cumulative results will be added to give a total score for the second team of the member.

- 7.3.3 The seeding will be based on the total scores mentioned in 7.3.2. The format of the championship will be described in the relevant Sailing Instructions.
- 7.3.4 When a member enter more than one team in the same team race event, the position of each team in the grid will be based on each team total points, which will be the result of adding the points (on the first 5 races or the number of races until June 5 if fewer than 5) of the actual best 4 members of the team. Teams with lower total points will be seeded in higher positions.
- 7.3.5 The total points of the competitors, as mentioned in 7.3.2, will be based on the ranking available at 2100 on June 5 **regardless of protests or requests for redress not yet decided.**
- 7.3.6 The required red protest flag shall be attached to the competitor, clothing or PFD and shall be capable of being concealed and being displayed at arm's length.
